

Wine Brings People Together

Alex Sotelo Cellars 2002 Merlot Napa Valley
\$32

Hard to find but worth looking for. This wine comes from a tiny vineyard in Napa, with a "garage" style winemaking process. Ruby red, with an interesting "nose" of strawberries and cherries. Floral and tannic, has a high potential for aging well. Balanced, no hard peeks. Plums, black berries and some notes of chocolate. Enjoy it with a good mixed grillade and grilled vegetables.
